### **FOREWORD**

July, 1961—A momentous date in the annals of Kings Mountain High School—the year of consolidation—the coming together of the entire township to form a new school district—the joining together of Bethware, Grover, and Kings Mountain Schools into one large high school. This consolidation program is the result of several years of planning and negotiations. The results — a larger and better school for all and the anticipation of a new super high school building in the near

Realizing the long hours, days, and months of hard work which were necessary to effect the merger, "Milestones" salutes all the people who helped make this consolidation possible. It is hoped that this merger will inspire the students to take advantage of the new op-

future.

portunities offered. The many "firsts," the new, advanced subjects and ideas that resulted from the combined schools, have given us a better chance of success in future life. Through the combined efforts of the three schools, there is the potentiality for a better education for all. The results depended on the willingness of the students to accept this great and important challenge.

Through the hard work and good will of all the students this venture has been made successful. Its success has inspired us to produce this—the "Milestones of 1962". Some of the many happy events of this year have been reconstructed in order that they may again be remembered and enjoyed by all—as this year truly marks a "milestone" in the life of our school that should never be forgotten.

# WE GRATEFULLY DEDICATE...

Mrs. Finger helps with make-up on Choral group for their performance.

For untiring efforts to make Kings Mountain High School an institution of excellence; for the versatility of talents and willingness to use these talents to be of service to our school; we, the MILESTONES staff, are proud to have this opportunity to honor our Co-Sponsor of the yearbook. To show our appreciation, we dedicate this our 1962 MILESTONES to you, Mrs. Carl P. Finger.

Mr. H. Harry, Mr. O. Williams, Mrs. L. McGill, Dr. P. Padgett, Mr. F. Plonk

# SCHOOL BOARD GOES OVER PLANS FOR CONSOLIDATED HIGH SCHOOL

"Master minding" the new consolidated school is the work of the city School Board. These five interested citizens are elected for a period of five years staggering their terms of office. The two new members, Mr. Williams, from the Bethware area, and Mr. Harry, from Grover, were elected from the district.

Thanks go to these members for their work in the new program. It was only through their tireless efforts in informing the voters of the school's needs that the greater Kings Mountain High School was effected.

The members are now hard at work planning needed repairs for old buildings and formulating ideas for a new school. We, the "Milestones" staff, salute you for a job well done and have confidence that the proposed school is in capable hands.

**ADMINISTRATION** 

Mr. B. N. Barnes, Superintendent

Our capable Superintendent has been with us for 35 years in which time he has seen our high school grow from an enrollment of 173 to the present 867. Mr. Barnes received his A.B. degree from Wake Forest and his M.A. from UNC. It was under his administration that the present High School was built, after the former school was gutted by fire.

It is with pride that he recalls the trials experienced by the school in becoming and remaining a member of the Southern Association of Secondary Schools. His experiences in the Kings Mountain School have been many and varied but he has always found a solution for every problem.

When we think of Kings Mountain Schools we think of Mr. Barnes, a man highly respected in his community, hard-working, honest, and as most citizens refer to him, a "dedicated school man."

Mrs. Lail takes dictation from a very busy Mr. Barnes.

# CONSOLIDATED SCHOOL

Supt. and Mrs. Barnes look over a volume of the "Milestones" with son Kenny, a junior.

Mrs. Wanza Y. Davis, secretary to Mr. Barnes, is a graduate of Kings Mountain High School and attended Western Carolina College.

Wanza is an avid sports fan, has a real interest in the students, and is a friend to all.

This year—1961-1962—will long be remembered in the history of Kings Mountain High School. The long awaited consolidation program suddenly arrived on August 28th. The anxiety that existed during the planning stages reached a climax.

September days vividly brought to your minds the facts of crowded halls and a crowded lunchroom. You met new classmates, took new subjects, and saw school bus parking lots and assembly seats in the balcony for the first time. Although the main task of formal learning was in the front of your minds, I feel sure that in the back of most of your minds was this thought, "What can I do to help make this vital year a success?"

Soon such statements as "I have never seen school spirit higher", and "We have more serious study than ever before", indicated you knew your task and were performing it well. Throughout the year a seriousness of purpose that surpassed other school years prevailed. Cooperation, perseverance and intelligent action were your trademarks. I trust they will always be our trademarks so we may continue to rank with the finest high schools in North Carolina. Students at Kings Mountain High School in years to come will long remember and greatly appreciate the high standards of citizenship set by you. I am sure all parents and school patrons of No. 4 township join me in congratulating you on a job well done.

Mr. Harry E. Jaynes, Principal

Mr. Jaynes assists Mrs. Gamble in filling out her record.

 $\mbox{Mr.}$  and  $\mbox{Mrs.}$  Jaynes at home with their children, Gary, a third grader, and Debbie, a fifth grader.

# MR. JAYNES COMPLETES THIRD YEAR AS K. M. H. S. PRINCIPAL

Although Miss Martha Houser has been with us only one year, she has endeared herself to both students and faculty.

Martha is a graduate of Kings Mountain High School and Kings Business College.

Miss Alice Averitt, A.B., Atlantic Christian College; M.A., George Peabody.

# SUPERVISOR AIDS TEACHERS IN QUEST FOR MATERIAL

Mr. Lutz receives help in selecting a film.

Her duties are so many that only a person with her versatility could perform the task so well. She supervises the teaching program; has charge of the audio-visual equipment; and maintains the professional library, keeping materials and methods up-to-date and in the hands of the teachers.

# INCA INDUSTRIS, INC. INCA INCOME AND THE PROPERTY OF THE PROP

Mr. Parker talks to an "incorrigible"

# "COUNSELORS INCORPORATED"

The activities of the Guidance Department are varied. During the school year tests which include skills, achievement, aptitude, and general ability are made available to all students. Test scores are returned to the school and each student is given the opportunity to discuss his score with a counselor. Guidance is given on curriculum planning, job prospects, choices of college or trade

school, and plans for future careers. All branches of the Armed Forces administer aptitude tests to seniors interested in going to work rather than college. Application for college entrance is made through the Guidance Department. Discipline, social, emotional, and economic problems are handled to a large extent through this department. An elective course in Guidance is part of the High School course of study.

# ENGLISH DEPARTMENT GIVES EACH STUDENT A THOROUGH KNOWLEDGE OF HIS LANGUAGE

Miss Helen Logan, A.B., UNC English IV; Senior Advisor; Voca tional-Guidance Club.

Miss Lillian Quinn, A.B., Erskine; English III; Senior Advisor; Senior Play Director.

Mrs. Juanita Logan, B.S., ASTC; English I; Junior Advisor; Mountaineer; Journalism.

Mr. Carl O. McWhirter, A.B., Limestone; English II; Junior Advisor; Speech Club.

Oral classwork is a well-known part of English IV.

Students demonstrate proficiency in diagramming sentences.

Through four years of graduated difficulty, we do learn—often along the way the task seems impossible, but the reward is great. With the realization that we have really made a five-minute talk, that we actually can write a research paper, that our letter does make sense, that reading good literature is enjoyable, and that old Shakespeare wasn't such a bad guy after all, comes a sense of accomplishment.

This year, for the first time, the English Department is offering a Language Arts course; also, Remedial English. The Language Arts course and the Remedial English course are designed for students who find English a most disagreeable subject.

Mrs. Sue H. Moss, A.B., Meredith; English I, III; Freshman Advisor.

Mrs. Betty Bates, B.A., Lenoir Rhyne; English I; Freshman Advisor; Cheerleaders.

Mrs. Eddys L. Ware, A.B., Erskine; English II; Sophomore Advisor.

# STUDY OF FRENCH AND LATIN FOUND TO BE USEFUL IN STUDY OF NATIVE ENGLISH

Mrs. C. V. Harrill, A.B., WCUNC; French, English II; French Club; Junior-Senior

Comprenez-vous le français?

Mr. James Evans, A.A., Mars Hill; A.B., Wake Forest; M.Ed., UNC; Post Graduate, U of Miami; U.S. N.R., Harvard: Latin; Latin Club

The study of French and Latin is closely related to English, especially in vocabulary, and since French is used as a "second language" by many well-educated people all over the world, it assumes great importance in our education.

In order to facilitate and strengthen the study of French, recordings, film strips, tapes, and linguaphones are being used as teaching aids in the French department this year. This is the beginning of the modern and up-to-date French laboratory which we hope to develop at Kings Mountain High School.

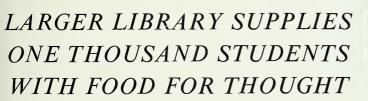

Mr. Evans instructs students in the proper use of the neuter gender.

Mrs. Weir assists a student in the selection of an appropriate reference.

Mrs. Josephine E. Weir, A.B., Winthrop; M.A., Columbia; Library; National Honor Society; Library Club; Senior Advisor.

A Thousand students have daily access to our library, thus making it, in a sense, the hub of the school. The library has a two-fold purpose: first, to supply materials that make the curriculum more interesting and valuable for pupils and teachers; and second, to make available books and periodicals that give enjoyment and information to those who read for pleasure.

Library Science lessons are offered to students who are using the library for the first time. These students are taught to make full use of the card catalogue, the excellent supply of reference books, as well as the other reading materials.

Miss Sutton graphically explains "why" to one of her geometry classes.

With increased emphasis on the importance of mathematics in the high school curriculum, we are keeping pace through courses designed to meet the objectives of each of our students college-bound or otherwise. Our powers of accurate and logical thinking are sharpened through the solution of mathematical problems. We experience a sense of achievement as we train our senses in the orderly, logical world of figures. Far from the dull routine manner in which our parents were "drilled", we are encouraged to learn the "why" as well as the "how." With this sound foundation as a springboard, we are prepared to enter fields of our choice without fear of "closed doors."

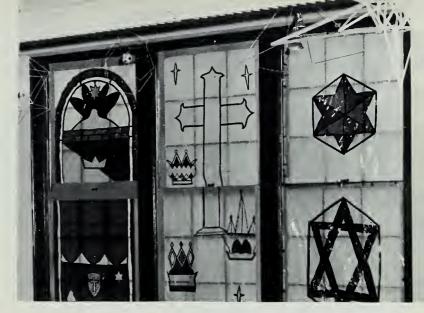

Miss Kittie Lou Sutton, B.S., TPI; M.A., Peabody; Algebra II, Plane Geometry; Junior Advisor; Future Teachers Club.

Mr. Walter F. Powell, A.B., UNC; Algebra I; Freshman Advisor; Key Club.

# N. D. E. A. HELPS BUILD WELL-EQUIPPED SCIENCE DEPARTMENT

Careful observation is necessary for accurate results in all chemistry experiments!

Mr. John Lutz, A.B., Lenoir Rhyne; General Science; Freshman Advisor; Science Club.

Mrs. Margaret H. Baird, B.S.H.E., WCUNC; General Science; Freshman Homeroom.

Miss Odessa Black, B.S., OC; Biology; Sophomore Advisor; Speech Contestants.

Physics students determine amount of radiation in classroom.

Generally regarded as "only for the intellectual," the students have learned that science is for everybody. What a wide, wonderful world we have found!

Freshmen may enroll in General Science, which is a course that introduces the students to all types of science work. Biology is offered to sophomores and is a required course in all North Carolina high schools. Chemistry is primarily a junior course and Physics is considered the senior science. On the General level, much

of the work is accomplished by class discussion, films, projects, and lecture-demonstrations. Biology, Chemistry, and Physics are laboratory sciences. Chemistry and Physics are taught on the college Preparatory level.

Emphasis is placed on mastery of laws and principles and the application of these to quantitative and qualitative laboratory procedure.

Mrs. Helen Ausley, B.S., Mississippi; M.S., Yale; Chemistry, Physics; Junior Advisor.

Scientifically inclined chemistry students shown ... Washing dishes! ? ! .....

# STUDY OF SOCIAL SCIENCE . . .

Mr. Withers instructs class before telecast.

Mr. Donald L. Parker, A.B. Maryville; Economics and Sociology, Guidance; Counselor; Head Coach Basketball; Junior Advisor.

The present world situation increased the importance of learning and understanding our past and our present. Being aware of this, our Social Studies Department meets the challenge through courses designed to stimulate individual reasoning and pride in our economic and cultural heritage. With this knowledge comes a sense of responsibility for our part in shaping the world of tomorrow.

Mr. Fred Withers, B.A., Lenoir Rhyne; M.A., S. California; History, General Business; Sponsor S.P.O.; Head Coach Baseball; Senior Advisor.

# INCREASES OUR CULTURAL KNOWLEDGE

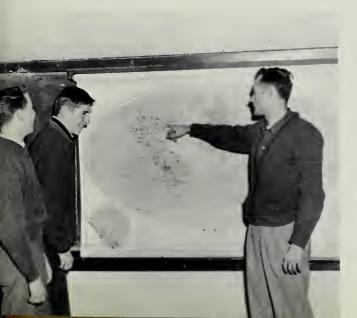

Mr. Parker explains economics problem on map of world.

Mr. H. D. Leonhardt, B.S., ASTC; Social Studies; Key Club; Sophomore Homeroom

Mr. Blaine Froneberger, B.S. AS TC; Social Studies; S.P.O.; Sophomore Homeroom

Mr. Leonhardt explains history problem on the same map!

### TAKE A LOOK AT THE BUSINESS WORLD

Mrs. Finger assists student in transcribing her secondyear shorthand.

Would you believe it—I'm a secretary! Many of our graduates are able to utter these magic words after completing a chosen course of study of KMHS. The range of electives in the commercial field is wide—typewriting, shorthand, bookkeeping, and a brand-new course in office practice. With the acquiring of the essential skills in these subjects, we feel justifiably proud when our speed and accuracy reach an "employable level" and we know that we are equipped to make a place for ourselves in the business world.

Mrs. Carolyn Finger, B.S.S.A., WCUNC; Bookkeeping, Shorthand; Senior Advisor; Advisor, Business Staff MILESTONES.

Mrs. Mary Sue M. Howard, B.S., WCC; Typing; Advisor, Editorial Staff MILESTONES; Treasurer, K.M.H.S. Activities

## HOME ECONOMICS CLASSES PREPARE

Home ec. class explores the wonders of a modern kitchen.

Joan Howard, Carolyn Heavner, and Geraldine Goforth prepare muffins "hot from the oven."

Mrs. Betty Gamble, B.S., ASTC; Voc. H.E. WCUNC; Home Economics; Freshman Advisor, Future Homemakers Club.

## STUDENTS FOR MARRIED LIFE

Can anyone describe the rewarding experience of seeing that first dress made all by yourself, or the pride in the family's eyes when you prepare that first meal? This is Home Economics — the course that prepares the individual for intelligent and effective family living.

Home Economics I, II, and III are offered, giving future homemakers insight into the solution of personal and family problems, child care, first aid, nutrition, and health.

Side lines of the course, and always with us, will be the burned toast, sagging hem lines, and other such minor hazards. Nevertheless, under the patient guidance of capable instructors, these students are our future homemakers, and they will be prepared to be our citizens of tomorrow.

Mrs. Juanita F. Egerton, B.S., ASTC; Home Ec.; Junior-Senior; Freshman Advisor.

Wanda Barnette, Peggy Biggerstaff, Juanita Dellinger, Carolyn Alexander, and Barbara Lynn put finishing touches on their creations.

#### FILL TOMORROW'S BREADBASKET

It is with pride that we have added Agriculture to the curriculum, because it is the feeling that the schools have a responsibility to provide vocational training to as many students as desire this program. This education is helping to make available trained manpower that enables the nation to produce an abundance of products. Besides regular classroom work, experiences are gained through field work and shop. Some 126 boys are taking advantage of this course in this school year.

# BIBLE STUDENTS GAIN A BETTER UNDERSTANDING OF SPIRITUAL LIFE

Students learn to understand the lessons taught in the Bible.

Mrs. Jeannine E. Fisher, A.B., High Point; Bible, Sponsor, Bible Club

Through the efforts of the Ministerial Association and the financial aid from our churches, the students in KMHS are given an opportunity to increase their knowledge and understanding of the Bible.

Two years of Bible are offered in the curriculum, one year is the study of the Old Testament and the second is the New Testament with emphasis on Bible history, rather than the secular aspects of religion.

We are indebted to the Bible Class for our morning devotions over the communication system.

#### STUDENTS ARE INSTRUCTED IN THE FINE

Mr. William Z. Cashion, A.B., Gardner-Webb; B.S., Newberry; Driver Education, History II

#### POINTS OF AUTOMOBILE DRIVING

She has really learned to parallel park! That isn't the only objective of Driver Education, but, oh, what an accomplishment!

The big sign stating "Student Driver" is really not as dangerous as it looks; the car has dual controls and Mr. Cashion has the situation well in hand.

Driver training is not a required course, but a large percentage of the sophomores feel that learning safe driving is so important that they relinquish a study hall for six weeks. Technique and the N. C. state laws are first learned in the class room before their application.

The end results—a real "honest to goodness" driver's license all your very own.

Mr. Cashion explains the "whys" and "wherefores" to driver's ed. students.

# MUSIC DEPARTMENT COMPLETES

#### A MOST SUCCESSFUL YEAR

Special tribute to the Music Department! Our Music Department is composed of the band and mixed chorus, both of which deserve special commendation. In the fall the Mixed Chorus presented to the public an operetta, "The Mikado," which proved to be an undisputed success. The Chorus has also performed for the men's clubs, churches, and for the student body.

No word could describe our band's marching performance at the football games but "Excellent." Their precision drills and instrumental performance were a pleasure to all present. Christmas parades, concerts and contests have kept the band room a veritable bee hive.

The Music Department truly accomplishes its aims of developing a student's natural musical ability and sharing with others their talents.

## PARENT, TEACHER, STUDENT ASSOCIATION

The Parent-Teacher-Student Association, newly created in 1960-61, has proved to be a most worth-while endeavor. Acting as a laison between parents, teachers, students, and school, it has enriched our over-all program with fellowship and increased our understanding of school concepts through informative programs and discussions. The "whole child" is encouraged and nurtured through this organization in its unselfish efforts to contribute to school and community progress.

These are ten girls who relinquish a study hall to run errands, type bulletins, answer telephone, and perform numerous other services to make an efficiently run school. They are gaining invaluable experience, as well as being of real service to the teachers, the secretary, and the principal. The girls are volunteers and, therefore, they are the basis of their efficiency.

## MRS. YARBRO HEADS CAFETERIA STAFF

Marion Dawkins, Jimmy Davis, Symantha Williams, Margaret Guinn, Mrs. Blanche W. Yarbro-Manager.

Our able staff of workers in the cafeteria, under the management of Mrs. Blanche Yarboro, arrive early in order to have a hot meal prepared for some 500 students who eat lunch daily.

Kings Mountain High School has long been affiliated with the federal lunch room program in order to give the student the very best lunch at the very lowest cost.

Our thanks go to Mrs. Yarboro and her staff for their service and contribution to our school.

# OUR CUSTODIANS KEEP THE SCHOOL IN SHIP-SHAPE CONDITION

No yearbook would be complete without recognizing those folks behind the scenes. Our custodians, maid, and maintenance men are very much a part of our work-a-day world. Painting, carpentry, cleaning, and repairing equipment are only a few of the many tasks performed each day. We would like to say to each, "A job well done."

Eugene Williams, Robert Smith, Morris Timms, L. A. Grier, Odessa Lindsay.

Second row: Bill Moss, David Williams, Richard Little, Steve Heafner, Mike Dixon, Gerald McDaniel, Mike Ware, Lionel Barnes, Larry Moss, David Boheler.

#### DEPENDABLE TRANSPORTATION FOR STUDENTS

Many of our students depend on school busses for transportation to and from school. This fleet of busses is driven exclusively by student drivers, both boys and girls. The state has an excellent safety record over the years with their student drivers. We are a part of the envious record, thanks to our very capable and conscientious drivers.

# STUDENT STORE CATERS TO THE NEEDS OF THE STUDENT BODY

Thomas Barnette goes after ice cream bar for photographer.

As a convenience a student store is operated offering a good and economical line of school supplies and ice cream.

The store is utilized by many of our students and is managed and operated by a student each year.

# LIBRARY AIDES LEND HELPING HAND TO STUDENT BODY

When the students are approached for additional duties, the response is always gratifying as indicated by the eleven girls and boys who make up our library aids and club. Their chief duty is to issue books and check them in. In addition, they have assumed the responsibility of decorating the bulletin board on third floor. It has been most attractive as well as informative.

#### OUT OF OUR DREAMS ...

Printer, Turk Falls, and photographer, Truett Moore proved to be indispensable.

We have laughed our way through certain pages and tramped back only to find them faded with tears. Our nerves have grown tense; our eyes, sore. We have lost sleep, weight, friends, and probably even "our senses."

But as we look back it has been fun. We have learned a great deal. The cooperation of the students and faculty has helped beyond words.

Now we are ready to pack off to the publishers these—our last pages. May each of them, when they are compiled into one book, bring back memories and be a treasure forever.

Gail Morrison, Business Manager

As the editorial staff made plans for a "giant" annual, we pounded the pavements selling advertising to sometimes "less-than-eager" businessmen. A host of them understood our need and responded with the generosity which we have come to expect from our town and surrounding areas. Selling our annual to the students required little persuasion—most were waiting in November for us to collect that down payment. Word had gotten around that the 1962 Milestones was really going to be superb in every respect. When we deliver your annual this spring, cherish it—time, talk, and tenacity are its foundation.

"My, what a mess!"

Writing articles, selling ads, meeting deadlines, reading copy, typing for hours, and taking pictures are only part of the work of getting out the school newspaper.

All of us in the third period journalism class have a position to fill on the Mountaineer staff where we can apply the principles we study in our journalism books.

The pleasure that the student body gains from the **Mountaineer** is our reward for the work we put into it.

Kings Mountain High School has a long record of outstanding bands, comparable and competitive with the better bands in the area; this year is no exception. Many observers have stated that the K.M.H.S. band was the best marching band in the conference this fall. This organization provides a splendid program in discipline, precision marching, and musical development—all of which will provide careers and hobbies after school days.

The band council, selected from the personnel of some sixty members, is the governing board for the group.

With their snappy uniforms and aura of tradition, the 1962 band has performed well and congratulations are in order.

S.P.O. is a vital organization in the make up of our school. The election of the officers by the whole student body is carried on in a manner very much similar to the one held by our national political parties. Through the elections a very definite lesson is taught in representative democracy. The numerous functions of the S.P.O. include the responsibility for procuring and presenting all assembly programs, the election of a citizen of the month, and the sponsoring of many special projects related to over all betterment of the school.

### AND WE HOPE THAT HONORS WILL CROWN OUR DAY

National Honor Society is an honor organization made up of students who excel in scholarship, leadership, and service and who are recommended by at least three teachers. As special projects, the N.H.S. sponsors a Scholarship Recognition Day each fall to recognize those students who have made outstanding scores on achievement tests administered on a national basis, recognizes the students who make the honor roll at the end of each six weeks period and at the end of the semester, and holds two induction programs; one in January for seniors and one in March for juniors. Each year, delegates are sent to the State National Honor Society Convention to represent our chapter.

AS WE PEER INTO THE GREAT UNKNOWN;

To create a better understanding of the sciences by the students is the main interest of the Science Club. They carry on several programs, one of which is to sponsor the Atomic Energy Commission "Atoms for Peace" exhibit. This year they inaugurated a Science Fair which will probably become an annual event. In this day of Sputnik, with a great demand on all students to excel in the sciences, this club has created much interest among the students.

A HOME OF LOVE
WE'LL HOLD IN
OUR HEART,

The Association of the Future Homemakers of America in Kings Mountain is affiliated with both the state and national organizations.

The members carry on chapter and individual activities which help them to promote good home and family life, develop creative leadership in home and community life, gain understanding of neighbors at home and abroad, develop their individual potential abilities, and to further interest in home economics.

Such experiences enable the members to contribute to the achievement of the overall goal of the homemaking program—helping individuals improve personal, family, and community living.

Outstanding activities this year have been the annual Mother-Daughter Banquet, keeping clothing in "clothes for needy families closet" in good conditions, and bake sales to obtain sufficient funds. Programs at regular meetings have been concerned with vocations in Home Economics, Christmas decorating ideas, Fall Fashion Show, speakers on Foreign affairs, and party ideas.

### AND, WITH NATURE'S AID,

The FFA is an intra-curricular activity having its origin and root in a definite part of the school curriculum—vocational agriculture. Among other things, members learn through active participations how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume civil responsibility. The foundation upon which the Future Farmers of America organization is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

### MARSHALS USHER AT GRADUATION

The Marshals are students from the Junior class with the highest scholastic rating and an average of A on conduct during their entire high school career, with no grade lower than B. Four girls and four boys will be chosen if it is possible to choose these from the upper third of the class. In the event that a sufficient number of either sex is lacking, the deficit will be filled from the next highest ranking scholastically of the deficit sex.

For thirteen years, the North Carolina high schools within a hundred-mile radius of Winthrop have been invited to participate in the annual Miss Hi Miss edition of **The Johnsonian**, student newspaper of Winthrop College, the South Carolina College for Women. In a special issue of **The Johnsonian** prominence is given to the high school senior girls chosen by their school as outstanding in scholarship, leadership, character, and personal attractiveness.

# ANNUAL CAROLINAS' CARROUSEL HELD NOVEMBER 23

Our school has participated each year in the Carolinas' Carrousel. The representative is chosen by the student body from the Junior or Senior class. Beauty, poise, and grace are distinguishing characteristics of the elected princess. The entire Carrousel program lasts two days and is a real highlight of the school year.

A representative from the Charlotte Carrousel Committee visits the school to crown our princess, and they then travel to Charlotte for the program which includes a Christmas parade and an extravagant ball.

IS RESULT OF 1961
TALENT SHOW!

Jimmy Grant, Mike Smith, Harry Jackson, and Larry Jackson pantomime popular singing group.

Frieda Burton, Jewell Robbs, Sandra Spangler, Peggy Plonk, Petie Lynn, and Pattie Howard entertain with a song.

The "Mountaineers" got off to a winning start with a crisp victory over Forest City's Golden Tornados in their first game 14-0. In the second game, York's Green Dragon's, a new entry on our gridiron schedule, crushed the "Mountaineers" 26-9. Several mistakes, of which York took scoring advantage, were committed in this game. The "Mountaineers" sustained several injuries. Bolin and Ramseur were sidelined for the remainder of the season; Brown was out for several games following the encounter with York. These losses undoubtedly were a prominent factor in the ensuing games on the schedule.

The "Mountaineers" gained their second victory of the season in their encounter with Chase High School. Their superiority in this game was never in doubt. Two sparkling runs by Alton Stewart and two Wally Har-

ris passes pulled down in the end zone by Charles Goodson accounted for the four tallies with a final score of 27-6. Curtis Floyd was outstanding in line play and made one interception. This was decidedly the high mark of the season. It appeared almost too easy.

Shelby came to town for our fourth game with revenge in their eyes. This had all the ear marks of a typical Kings Mountain-Shelby rivalry. Kings Mountain had its way by scoring first. Shelby came back and scored late in the second quarter. The half ended 7-7. The second half belonged to Shelby. A slippery sophomore halfback broke the game open with two long jaunts. This proved to be decisive. Final score: Shelby 20—K.M. 7.

# GAME WITH YORK INDIRECTLY RESPONSIBLE FOR OUTCOME OF '61 SEASON

Bessemer City provided the opposition that proved to be a real thriller in our fifth game. They were billed as a decided underdog, but the "Mountaineers" failed to respond to their spirited play, and thus Bessemer City upset them 14-13. This was the first time Bessemer City had defeated the "Mountaineers" in their many years of encounter.

Still licking our wounds from the B.C. defeat, for our sixth game of the season, we traveled to Clover, S. C., to meet Robert Munday and his mates. At the end of the first half, it was a 6-6 deadlock. Munday and Company exploded in the third quarter scoring twenty big points for Clover. We were never able to overcome this, only managing to push over one T.D. in the final quarter—losing 26-13.

With injuries still rampant and operating

on a partial strength basis, we played host to Lincolnton for our seventh game. Lincolnton arrived with a strong team, the defending South-West Conference Champions, and it was Lincolnton all the way. Final score: 26-7.

We traveled to the home of the Hilltoppers, R. S. Central, for our eighth game. This was one of our better efforts of the season. Excellent line play, good ball handling, but not quite enough of either. Final score: 14-8.

Our final home game and ninth game of the season was Belmont. This was a crowd pleaser. It was obvious the "Mountaineers" would have their way. Final score: 13-0.

Final and tenth game of the season, we met our arch rivals, Cherryville. After much thrilling play on the part of both teams, there was not a victor. Final score: 0-0.

Coaches of Mountaineer Varsity-Mr. Bates, Mr. Gamble, and Mr. Parker.

Good light heads off drowsiness and speeds you through assignments. So make sure your bulb is in the proper size, that your lamp shade reflects light, and that it flares enough to diffuse light over all your work area. Make good light your friend . . . for life. It costs so little, means so much!

#### "THE BOGIE CLUB"

This page, as may be discerned by merely noticing the accompanying pictures, is dedicated to that group of intrepid young men who frequently risk their lives dodging each others clubs as they strive to bring additional honor to dear ole' K. M. High.

This copywriter, though uninformed but having the utmost confidence in Turk's leadership and the team's ability, wishes to congratulate them on what was sure to have been a most successful season no matter what the final standing was at the finish!

Turk Falls, Captain; John Gamble, Coach.

# "HERE COMES CHARLIE" ROUSING SUCCESS

The class of '62 presented this year a rompin', stompin' play starring ten of the best people of the world under the direction of the best person in the world. Under these conditions it could not help but be perfect!

"Ooh!-la-la!

#### STUDENT TEACHER GIVEN WARM WELCOME BY FACULTY AND STUDENTS

As a rule nothing much is said about student teachers in a yearbook, but this one was so popular that he could not possibly be left out.

Mr. James Cherry proved himself to be quite capable both as a history teacher and as a friend to the students. His understanding, sympathy, and sound advice will be remembered by some few, and his generosity with time, effort, and energy will be remembered by all.

We wish him luck!

# BIG CELEBRATION FOR JUNIORS AND SENIORS

Outstanding decorations carry out theme of Mardi Gras.

As the band played our favorite song . . .

Can you recall a night, when for a very short while, time offered to you a moment of magic and wonder? Do you still remember all the treasures of that night? Of course you do! No matter what your age, wherever you are, you will always remember, for no other night will ever be quite the same as that April 27, the night of the Junior-Senior Prom.

Knights of Music entertain at prom.

... and the balloons came tumbling down."

The King and Queen of Mardi Gras are crowned as waiters and waitresses (?) look on.

First Row: Flower girls and train bearers; Queen, Sandra Plonk; Second Row: Linda Sherrer, Connie Shaw, Gail Huffstetler, Gail Maddox, Dianne McDaniel, Kay Mauney, Toni Ware, Margie Huffstetler; Third Row: Tommy Bennett, Tommy Dean,

John Harry, Butch Moss, Jerry Rikard, Patsy Spencer, Linda Bennett, Judy Watterson, Bill Ramseur, Richard Little, Eddie Herndon, Louis Cook, Kenny Barnes.

#### MAY DAY — THEN AND NOW

Linda Bennett—Crowner

Freshman Attendants: Margie Huffstetler and Linda Sherrer

Shades of pink and blue dominate the 1962 May Day, giving it the beauty and charm characteristic of such an occasion. Two attendants, previously selected from each class, and their escorts lead the way for the presentation of the Royal Court. With the herald of trumpets, the Queen, Crowner, and the Maids of Honor are ushered in to begin the festivities.

Sophomore Attendants: Connie Shaw and Toni Ware

The theme, "Then and Now," is carried out by the dances and activities of the girls' physical education classes. This Spring "highlight" is brought to a close by the Queen's presentation of her flower to the best act and is followed by a semi-formal dance in the gymnasium.

Junior Attendants: Gail Huffstetler and Kay Mauney

Senior Attendants: Dianne McDaniel and Gail Maddox

Band members work hard to prepare for Contest.

### BAND SHOWS ITS TRUE COLORS IN CONTEST

Our wonderful band has finally been recognized as ranking among the top music-makers. Mr. Hedden's leadership is responsible for the excellent score of "1" awarded to his band. This marks the ending of a most successful year.

Mr. Hedden clarifies some fine points for seniors!

## COMMENCEMENT TIME AT KMHS

That wonderful night finally arrived. There were flurries of butterflies amid the doning of caps and gowns. Seniors scrambled for a last look in the mirror to see if their caps were straight, and a few forgetful ones begged Kleenex tissues from their neighbors. Then came the long, lone-some procession down the aisle and the tear-studded exercises. All too soon the recession began. Commencement joined the fond memories of a high school career.
